NFA Forms Veterans Fireworks Committee at 2023 Expo

Fort Wayne, IN:

RE: Press release: National Fireworks Association (NFA) forms Veterans Fireworks Committee at 2023 Expo in Fort Wayne, IN.

Following the NFA's annual Expo held in Fort Wayne, IN the NFA is pleased to announce the formation of a new committee, the Veterans Fireworks Committee. The committee is comprised of veterans who either own or work for fireworks and/or fireworks related businesses.

"We are excited about forming such an important committee comprised of individuals steeped in patriotism, who fought for our freedom and constitution. The committee's guidance will help ensure that fireworks will always be a part of America's birthday celebration.", said Ed Vasel, NFA Vice President.

About NFA: The [National Fireworks Association](#) is a non-profit organization dedicated to advocating for the safety of consumer fireworks and professional display fireworks. Importers, distributors, manufacturers and sellers of consumer and commercial fireworks as well as service providers to the fireworks industry make up the over 1000 small businesses member companies who operate in the United States and around the world.
